PERSONAL PROJECTS

Acquisition of Skills via Power of Connectedness
(05/2021 - 06/2022)

- This system is meant to establish problem-based learning culture on the college campus by connecting all the students of the college-campus based on their skills irrespective of their branches and department.
- As of now this project is Intra-Organizational and has the organization as its limit. We will try to Overcome this and make this system Interorganizational.

WORK EXPERIENCE

Solution Analyst

Sankey Solutions

06/2022 - 12/2022

Thane, Mumbai

Sankey Solutions is a next-generation IT Consulting & Services Company with headquarters in India, Singapore, and the UK.

Achievements/Tasks

- Designs and implement the projects as per client. Currently I am working as front-end developer work on UI development (with responsiveness & validation) and API integration (logic, loops & arrays) third-party integrations (maps, language & currency selector, firebase & other npm packages).
